

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims:**

1. (Original) A method for concealing upper mounts for shutters, comprising the steps of:  
installing an attachment mount having a lower facing channel within a soffit portion above a window;  
inserting an upper edge of a shutter into the lower facing channel; and  
covering the window with the shutter, wherein substantially the entire attachment mount is not visible from an exterior side of the shutter.
2. (Original) The method of claim 1, wherein the inserting the edge step further includes the step of:  
inserting a portion an elongated trim into a groove within the attachment mount.
3. (Original) The method of claim 2, wherein the elongated trim includes:  
a J-shaped decorative trim.
4. (Original) The method of claim 1, further comprising the step of:  
inserting a horizontal leg portion of a J-shaped decorative trim into a horizontal sleeve portion of the attachment mount.
5. (Original) The method of claim 1, wherein the installing step further includes:

attaching the channel to an exterior wall above the window and into the soffit portion.

6. (Original) The method of claim 1, wherein the attaching step further includes: fastening the channel to the exterior wall with removable fasteners.
7. (Original) The method of claim 1, further comprising the step of: attaching a lower edge of the shutter beneath the window.
